

**NEW UNIFORMS** - The new band uniforms for the Vienna High School Band arrived last Thursday. The band, with the help of Maries R-1 Schools and the VHS Band Aids, were able to purchase 55 new uniforms at \$202 each. The School paid for the uniforms and the Band Aids will reimburse the School for about half the cost of the uniforms. Although there was a slight problem with the color of the stripes on the pants, band director Tony Griswold said they should get the problem taken care of soon. Otherwise, Griswold said he and the band members are very pleased with the new uniforms. Modeling the uniforms are the two senior band members Sara Deaton, left and Lisa Hollis.
