In the second round, Vienna faced top-seeded and undefeated Fatima. The Comets came out on top 49-39. Erin Henderson and Kelly Steinman led the scoring with 9 points each. Rachel Stratman had 8, Jaime Hodson 7 and Monica Slone 6. Henderson led the rebounders with 6. Hodson had 4 steals.

On Friday night Vienna

played in the third place game and were defeated by Owensville 36-22. Monica Slone scored 10 points, Kelly Steinman added 9, including two 3-pointers.

After the tournament, Coach Byrd commented, "In the 3rd place game against Owensville, we played awful. We had a lot of games last week and I'm sure we were tired, but that's just an excuse. You can always find an excuse for a poor performance if you look for one. Also, I was a little disappointed with our lack of poise in both the Fatima and Owensville games. Our younger kids have got to be much tougher and confident mentally. We're too soft."

The JV girls record is now 9-5 overall and 4-0 in the GVC.
