

Steinman Named Academic All-State

KELLY STEINMAN

The Missouri Association of Basketball Coaches recently announced that Vienna High

School senior forward Kelly Steinman has been named Academic All-State for the sport of basketball.

This prestigious award is based on academic achievement, including ACT score, grade point average, and class rank, as well as achievements in the sport of basketball and school and community involvement.

Kelly was nominated by girls head coach Mick Byrd and athletic director Don Fields. She will attend a banquet honoring the Academic All-State players from all high schools throughout the state on Sunday, April 30 in Reynolds Auditorium on the campus of the University of Missouri-Columbia.

Kelly is the daughter of Mike and Tina Steinman of Argyle.
