Debi Mosher, a senior at Maries R-I High School, was acknowledged for her outstanding artwork this week by art teacher Mr. Evans.

"Debi did a wonderful job shading and contrasting colors," said Mr. Evans. "We really work hard on the background and foreground on this kind of

artwork and she did terrific."

Mr. Evans laid out background scenery in the art room and everyone in the class had to pick at least three objects to put in their drawing, adding varying details.

"This was a hard project, but I try to teach everyone a little bit of everything," said Mr. Evans.

Good job, Debi, and everyone else in the art class!
