The Vienna High School Cheerleaders are pepped up and ready to cheer! They are practicing hard this year and are getting ready for the first pep assembly.

Cheryl Davis and Joellen Clemons, the two cheerleading coaches, have only good things to say about the girls.

"It's going to be a great year! The girls are ready to cheer and already pepped up for the first

game. They are definitely going to do a great job cheering for the Vienna Eagles," said Davis.

"All the girls are great! They're a wonderful group, and we're ready to start cheering," Clemons commented.

The cheerleaders are going to a camp in Dixon for the Frisco League. They are the biggest squad of all the schools going.

The VHS Cheerleaders include Ashley Honse, Ashley Helmig, Ashley Minzes, Jenny Terwilliger, Rebecca Dillon,

Melissa Foster, Danielle Eads, Sarah Stokes, Sarah Schulte, Malorie Huggins and Angel Feeler.

The girls will be putting on a "Fun House" on Nov. 17 in the elementary. It's sort of like a Haunted House with lots of scary monsters and rooms.

The "Fun House" is for people of all ages and the later it gets, the scarier it gets. Do come on down and get your first look at the fun VHS Cheerleaders!
