Cherie Butler and Chuck Sandbothe are featured in this week's Senior Spotlight.

Cherie Butler, 18, is the daughter of Doug and Mary DiNatale. She works at the Argyle Health Clinic and is a member of FCCLA, FTA, FBLA and National Honor Society. She is a cadet teacher and is the senior class treasurer.

Her favorite color is purple and she really likes spaghetti. Her favorite animal is the pug dog because "the wrinkles are so cute!"

Her favorite actress is Julia Roberts and her favorite actor is Adam Sandler. Her favorite class is multi-media and if she could go anywhere in the world it would be Hawaii because she's never been there before and it looks like fun.

Her best friend is her mom because they can talk about anything.

Cherie plans to attend Rolla Technical Center or Nichols Career Center to become a registered nurse.

She describes herself as quiet and easy to get along with.

Chuck Sandbothe, 18, is the

son of Art and Connie Sandbothe. He is in the Future Farmers of America and his favorite color is green.

His favorite food is steak and his favorite animal is the cow because he can make money from it.

He likes the band AC/DC and his favorite actors are Julia Roberts and Jim Carrey. He likes to hang out at the Vienna Quik Stop and his favorite class is RTI Automotive class.

His best friends are Tony and Chad James because they can talk about anything.

If could go anywhere in the world it would be a place he could go deep sea fishing.

Chuck describes himself as quiet and fun to be around. He would like to thank his mom and dad for everything they have done for him.

"I would especially like to thank my dad for getting my lawn care business started and teaching me how to work hard and what the value of a dollar is. Thank you mom and dad for everything." -- Chuck

As you know, we have several school days to
