Tristan Lopes and Mary Hale are featured in this week's Senior Spotlight.

Tristan Lopes is the 18-year-old son of Deborah Silva and John Buelterman. He works at G&W Foods and has played basketball (he loves playing basketball).

His favorite colors are yellow and blue and his favorite food is pizza. His favorite animal is the Siberian tiger because they are beautiful and rare animals. He likes listening to Metallica and his favorite actor is Jackie Chan because "he's the fastest fighter I've ever seen."

He likes his math class and his favorite place to hang out is at the river.

His best friend is Nathan Copeland because "no matter what I get into, he'd be there to help out."

If he could go anywhere in the world it would be a distant remote island "to live in peace without the stresses of our culture."

Tristan says, "I'm not a hard person to get along with, but if you get on my nerves, I'm not

afraid to let you know that I have a short fuse."

Mary Hale is the 18-year-old daughter of Darrell and Pamela Hale. She currently works at H&L in Iberia.

Her favorite color is purple, her favorite food is fried chicken, and she likes to listen to K.C. and Joe-Jo. Her favorite animal is the goldfish because "they are easy to take care of."

Her favorite actress is Sandra Bullock because "she has good morals" and her favorite class is multi-media. She likes to hang out at the H&L and at the movies at the Lake.

Her best friend is her husband. Her hobbies include playing with her 7-month-old son, Taylor.

If she could go anywhere in the world it would be Hawaii because of the sun, warm beach, and the fact that she has had a Pen Pal for eight years that lives there.

She plans on going to SMSU to major in business administration.

Mary describes herself as smart, friendly, a loving mother, fun to be around, nice, overly happy and lioness.
