Missy Miller and Rebecca Henderson have been chosen for this week's Senior Spotlight.

Missy Miller, 17, is the daughter of Debra and Kenny Miller. She is a member of the speech team, Science Olympiad, art club, National Honor Society and Scholar Bowl. She works after school for the elementary school.

Her favorite color is green. She likes to eat anything Chinese and her favorite animal is the horse because "it's a beautiful animal."

She likes to listen to Bon Jovi. Her favorite actress is Julia Roberts because "she's really down to earth and she is more real than any other actress."

Missy's favorite class is Global Issues and if she could go anywhere in the world it would be Europe. She would like to see the castles and all the pretty scenery.

Her hobbies include rodeoing, reading, hanging out with friends and playing volleyball.

"If anyone is looking for me on the weekends, I'm almost always at a rodeo!" said Missy.

After high school Missy plans to attend Truman State University in Kirksville and major in Equine Studies and Graphic Design.

Missy, with a little help from her friends, describes herself as

an intelligent, horse loving, enthusiastic gal.

Rebecca Henderson, 17, is the daughter of Loyal Henderson and Linda Henderson. She works at Mobil and is involved in varsity softball, National Honor Society, speech and drama, and Science Olympiad.

Her favorite color is green, her favorite food is cajun chicken and her favorite animal is the squirrel.

Rebecca likes the song "Lean on Me". Her favorite actor is Sean Connery because, well, she thinks "he's good looking for his age."

Her favorite class is Physics and if she could go anywhere in the world she wouldn't limit to just one place, it would be a lot of places.

Her hobbies include spending time with friends, reading books, being with her squirrels and planning on taking over Europe.

Rebecca's best friend is Debra (Deb) Snodgrass because they've been together since they were in diapers and they are like tight allies.

Her favorite place to hang out at would be her boyfriend's house.

After high school Rebecca plans to attend Drury University to get a degree in criminal forensics.

Rebecca describes herself as "pleasantly psychotic."
