Amanda Stratman and Adam Meyer have been selected for this week's Senior Spotlight.

Amanda Stratman, 17, is the daughter of Greg and Laura Stratman of Vienna. She works at G&W Foods in Vienna and attends Rolla Technical College for Health Career Assistant.

She is president of FCCLA and also a regional officer.

Her favorite color is purple and she absolutely loves fettuccini alfredo with chicken. Her favorite store is Stock Room and her favorite animal is the horse because her grandpa used to take her riding. Her favorite band is the Dixie Chicks.

Amanda is a member of the

yearbook staff and she says that's her favorite class. She also says she doesn't really have a best friend -- everyone is her friend. She talks to everyone. (No wonder she was voted Most Talkative in her senior class!)

If she could go anywhere in the world, Amanda would choose Hawaii so she could lay on the beach in her swimsuit and find "hot" guys.

After high school, Amanda plans to attend East Central College in Rolla and major in Nursing (RN).

She describes herself as a talkative, fun to be around person.

Adam Meyer, 17, is the son of Jim and Paula Meyer. He works at Meyer and Sons Construction.

Adam is a member of the varsity baseball team and is a drummer in the high school band.

His favorite color is blue and his favorite food is cheeseburgers. He likes dogs because "they're a man's best friend."

His favorite class is P.E. He likes to shop at "the dirt bike store" and he especially likes the song *White Lightning* by George Jones.

If he could go anywhere in the world, Adam would choose somewhere warm with lots of beaches.

He couldn't really decide on a best friend because he says he gets along with everyone.

After high school, Adam plans to join the service to pursue a career in aviation. He said he would like to go to college and major in something to do with science or engineering.

All in all, Adam describes himself as a friendly and mellow guy.
