

STUDENTS FROM THE 6TH GRADE CLASS WATCHING AND LISTENING AS ELLIE BYRD AND SARAH HENDERSON GIVE THEIR PRESENTATION

Knowledge in the Cave

During the week of September 20, Mr. Byrd's Contemporary Issues class gave presentations related to the current terrorist attacks on America to both sixth grade classes and the eighth grade Study Skills class. Mr. Byrd's students were divided into four groups, with each doing a different topic (history of the Arab-Israeli conflict, detailed description of the New York and Washington attacks, background on Osama bin Laden, and our foreign policy choices for the future).

The younger students were very interested and asked a lot of good questions. We'd like to thank them for being such a good audience. The sixth grade students and the junior high Studies Skills class will be taking a test this week through which they can demonstrate how much they have learned.

Members of Mr. Byrd's class are Crystal Wilson, Amanda Quick, David Weidinger, Abe Rowden, Sarah Henderson, Nathaniel Weber, Amanda Stratman, Benji Johnson, Natalie Thornton and Ellie Byrd. Pictured above are the sixth grade students as they watch and listen to presentations by Ellie Byrd and Sarah Henderson.
