Students pledge not to solve disputes with guns

by Natalie Thornton,
NHS Publicity Officer

The Vienna Chapter of the National Honor Society recognized the National Day of Concern Against Gun Violence on October 17.

Mrs. Pat Kinkead, advisor, and Kory Bingaman, member, designed and made a banner for students to sign. On this banner they pledged not to solve disputes with guns.

The pledge states:

"I will never bring a gun to school;

I will never use a gun to settle a dispute;

I will use my influence with my friends to keep them from using guns to settle disputes.

My individual choices and

actions, when multiplied by those of young people throughout the country, will make a difference

Together, by honoring

this pledge, we can reverse the violence and grow up in safety."

A total of 137 students and teachers signed the banner.
