

**SCIENCE OLYMPIAD** - The Science Olympiad team travelled to Cuba on November 2 to participate in a meet. Despite miscommunication on events and a scramble to form an event team, they stand in third place. The team is only two points out of first place.

Medalists were: B.J. Asberry and John Campbell, 1st place, Bridge Building; Crystal Wilson, John Campbell, B.J. Asberry and Kory Bingaman, 1st place, Pentathlon; and Joe Barnhart and Clayton Weidinger, 3rd place, Metric Estimation. The team is anxious for the spring competition.
