

Timothy Griffith named All-American Scholar

The United States Achievement Academy announced that Timothy Griffith of Vienna has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program to offer deserved recognition to superior students who excel in the academic disciplines. The All-American Scholars must earn a 3.3 or higher grade point average. Only scholars selected by a school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

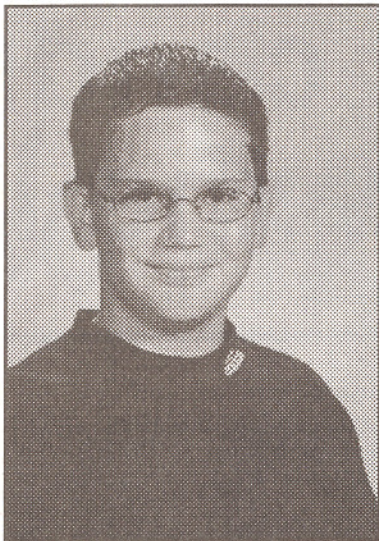

Griffith, who attends Maries R-I School, was nominated for this national award by Principal Don Fields. He will appear in the All-American Scholar Yearbook, which is published

nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, executive director of the United States Achievement Academy.

The Academy selects All-American Scholars upon the exclusive recommendation by teachers, coaches, counselors and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Griffith is the son of Gary and Julie Griffith of Vienna and the grandson of Elmer and Dianne Griffith of Vienna and Judy Buckley of Muscatine, IA.

All-American Scholar honors go to Lanning
