"I was very proud of both the varsity and JV teams this year," said Coach Kolzow. "The JV really improved and did an excellent job, with a majority of Freshmen. We were shooting for a .500 season, and we ended up with a record of 12-6. This year the boys learned to win."

"I could not have asked for a better group of varsity boys to coach," continued Kolzow. "Win or lose, they never let me down. The boys represented Vienna with an extremely high standard."

The varsity boys ended their fine season with a record of 17-10.
