

Vienna-Belle FFA chapters get together for volleyball

On September 22, the Belle FFA Chapter invited the Vienna Chapter to the Belle High School to participate in a fun game of volleyball. The game was not to see who was the best, but it was to have fun and give the members an opportunity to meet each other.

The Vienna FFA members included: Casey Finn, Cory Alexander, Jeremy Smith, Michael Hutchison, David Hutchison, Jarred Dunn, John Rollins, Katy Honse, Heather Smith and Lacey Honse.

When we arrived, the members practiced for a short while then began the game. Soon afterward, Vienna and Belle members teamed up and took turns on both teams.

Everyone had a really good time talking with fellow FFA members, playing volleyball and just hanging out with everyone.

The game went very well. Although there was no way to tell exactly who won, since both chapters made up both teams, the score didn't matter. It was the fact that everyone had fun and it was time well spent with other FFA members.
