

FFA chapter attends motivational conference

by Heather Smith,
Chapter Vice-President

The Vienna FFA Chapter took the first and second year members to the South Central District Greenhand Motivational Conference on January 9.

When we arrived we were presented a skit by the National Officers about how we should get involved in the FFA. We were then split up into groups to attend leadership workshops. In each workshop, we had a National FFA Officer presenting the workshop with the help of an area FFA officer.

After we finished the workshops we returned to the auditorium and Robin Niehaus, the National FFA Secretary from Hillsboro, IL presented a speech.

We then went to eat at Sirloin Stockade for lunch and then to the Spring Creek Gap and were able to climb the fire tower. We had a great trip and can't wait for next year.

Pictured are (seated L-R) Abbie Kammerzell, Western Region Vice President; Barrett Keene, Southern Region Vice President; Amber Haugland, Central Region Vice President; Elio Chiarelli, Jr., Eastern Region Vice President; Robin Niehaus, National FFA Secretary; and Dane White, National FFA President.
