

Senior Spotlight

TANYA CAHILL AND JOHN CAMPBELL

by Crystal Wilson,
TCN Student Reporter

Tanya Cahill and John Campbell are in this week's Senior Spotlight.

Tanya is the daughter of Dennis Cahill and Ruth Frazier. Her favorite color is red and pizza is her favorite food.

Her favorite class is Business Tech I and puppies are her favorite animals. Sandra Bullock is her favorite actress and *The Wedding Singer* is her favorite movie.

Tanya is a member of FCCLA, FTA student council representative, senior class treasurer and NHS vice-president. She was last year's Barnwarming Queen, is in Who's Who Among American High School Students, and took second place in Science Olympiad last year.

Tanya enjoys spending her free time writing to her boyfriend, Justin Rollins (he's in the Army), and spending time with her family and friends. If she could go anywhere in the world, Tanya would go to New York to help out in any way she could.

"Megan Duncan is my best friend because we have grown up together and she has always been there for me," said Tanya.

She also says her dad has had the biggest influence on her

life because, "He has been through so much and has never lost his faith in God. He is also very encouraging and supportive."

Her favorite quote is, "Life may sometimes be rough, but God is always good."

Following high school, Tanya plans to attend Lincoln University and major in nursing. She wants to become a RN.

John Campbell is the son of Tom and Karen Campbell. His favorite food is steak, color is blue and class is Chem II. *The Patriot* is his favorite movie and he says Mr. Byrd is his favorite celebrity.

He enjoys spending his free time hunting and fishing. He is a member of the high school track team. John's best friends are B.J. Asberry and Andrew Reeves. If he could go anywhere in the world, it would be Australia.

John says his dad has had the biggest influence on his life.

"My father has always pushed me to do better than I normally would have," he says.

Following high school, John plans to attend the University of Missouri-Rolla to receive a Bachelor of Science degree in Biological Sciences, then go to the University of Missouri-Columbia to major in veterinary medicine.
