Kelly is the FBLA president, Student Council vice-president, FTA secretary/treasurer, and NHS historian. She also plays basketball, cadet teaches, and is on the yearbook staff. Kelly transferred to Vienna from Jefferson City and is employed with the First Community National Bank. Kelly enjoys spending her free time going to parties, on hay rides, four-wheeling, and roadtripping with her friends. If she could go anywhere in the world, it would be Tahiti. Kelly says that her friends are some of her most precious assets and each of them has the same equal importance to her. Her favorite quote is, "It's true that we don't know what we've got until we lose it, but it's also true that we don't know what we've been missing until it arrives." Kelly plans on attending a two-year technical college and pursuing a career in Computer-Graphic Advertising.

Abe Rowden is the son of Rick and Deena Rowden. Fried turkey and potatoes are his favorite foods and the turkey is his favorite animal. Abe's favorite color is blue and class is Multimedia. He is the Senior Class President and is a member of the baseball and basketball teams, as well as FBLA. Abe has received All Conference and All District baseball honors his freshmen, sophomore, and

junior years. He also received All State baseball honors (coaches' poll) last year. Abe enjoys spending his free time hunting, fishing, spending time in the woods, watching the Broncos play football, going out with friends, and spending time with his girlfriend Holly. If he could go anywhere in the world in the world, it would be to Denver so he could watch a Bronco's game. Abe would say that his parents have had the biggest influence on his life, but his teachers and principal would say that Holly has. He says going out with her. After high school, Abe plans on going to college to "further induce his education."
