Wilson will serve as TCN Student Reporter again

by Crystal Wilson,
TCN Student Reporter

Hi! This is Crystal Wilson. Once again I will be the TCN Student Reporter. My job is to write about the activities going on at Maries R-I. I will do my best to cover the High School, Junior High and Elementary.

I will be a Senior this year and am involved in many extra-curricular activities including: Cross Country, Track, National Honor Society, Science Olympiad, FCCLA, FTA, Math Club and Mass Media (Yearbook). In addition to working for the Gazette, I am employed as a teller at the Maries County Bank. My parents are Bobby and Peggy Wilson of the Meta area.

There are some weekly columns that I have planned, including New Teacher Spotlight, Senior Spotlight, and Club/Sports Spotlight. I am excited about writing for you this year and hope you enjoy my articles.

I welcome your suggestions. If there is an activity going on, involving Maries R-I student(s), please feel free to let me, Mr. Byrd or Mrs. Combs know.
