

**STUDENT ADAPTS TELEVISION SCRIPTS FOR THEATER-** Nathaniel Weber had been undertaking a major assignment for the Maries R-I Theater Department. This assignment involves adapting several television scripts for the high school stage. The Maries R-I spring play will be M\*A\*S\*H\*. Theater directors Katie Reenan and Sherry Bingaman found some copies of original television scripts, but the scripts needed a lot of work to make them suitable for a live play. Both teachers are well aware of Nathaniel's writing talents, so they approached him with the job of combining the scripts for the spring play. The play will be March 13-16. Nathaniel is the son of Karen Weber, and he has received state honors for his scenario writing with the Missouri Future Problem-Solving Program for the past two years.
