On November 13, the Maries R-I Science Olympiad team traveled to Belle. There, they participated in five events.

The team is currently in a three-way tie, with Steelville and Cuba, with 14 points each. Bourbon is in fourth place, with seven points, and Belle is in fifth place, with six points.

Individual results were: Picture This (Crystal Wilson, Kory Bingaman, David

Hutchison) -1st place; Bridge Building (Joe Barnhart, David Weidinger) -1st place; Acid/Base Titration (Joe Barnhart, David Weidinger) -2nd place; Egg Drop (David Weidinger, Joe Barnhart) -3rd place; and Metric Estimation (Crystal Wilson, Kory Bingaman) -4th place.

The team is anxious for the spring meet to come. They will try to earn their third GVC Championship in a row.
