

Cross-Country at Owensville

by Crystal Wilson,
TCN Student Reporter

On Tuesday, October 15, the Vienna cross-country teams traveled to Owensville. The girls and boys finally had their full crew running. The JV boys took first place as a team.

Medals were awarded to the top 15 Junior Varsity runners and to the top 20 Varsity runners. The JV boys had four medalists, Curt Rowden, Tim Weakly, Tyler Helton and Damon Farrow; and the Varsity girls had one medalist, Crystal Wilson.

Vienna finishers were:

Varsity girls Crystal Wilson, 8th place (21:00); Lindsay Helton, 38th place (24:11); Whitney Wieberg, 39th place (24:18); Casey Steinman, 52nd place (25:31); Misty Willoughby, 53rd place (25:33); Tasha Sandbothe, 60th place (26:58); and Natalie Thornton, 67th place (28:57).

Junior Varsity boys Curt Rowden, 2nd place (19:24); Tim Weakly, 5th place (19:56); Tyler Helton, 6th place (19:59); Damon Farrow, 9th place (20:16); Tim Barnhart, 16th place (20:55); and Matt Helton, 19th place (21:22).

Varsity boys Michael Hutchison, 50th place (20:23);

John Rollins, 52nd place (20:34); Matt Slone, 62nd place (22:26); Sam Hagan, 63rd place (22:30); Tyler Willoughby, 68th place (24:10); Rocky Clark, 69th place (24:24); and T.C. James, 70th place (24:30).

Coach Woody had the following comments: "The boys ran a great race. Curt ran a great time and was very close to winning the race. This was possibly his best race other than at Vienna. Tim Weakly continues to improve, breaking 20:00. The biggest surprise was Tyler Helton's sixth place finish. This boy has a lot of potential and he'll realize how good he could be. He'll put that little extra in making our team a pretty good one."

"The Varsity boys competed very well also. Michael and John ran very good times. Every single boy ran their best time of the season. I can't say enough about their effort on Tuesday. The boys worked really hard."

"The girls competed pretty good, but we have some work to do. These girls, except Crystal just finished their softball season. I think that we'll see improvement pretty quickly just because I can have them practice every day now. We've got a lot of potential. We just need to tap into it."
