On August 23, the Vienna boys' basketball team played their first game of the season. The Varsity boys beat Stoutland by a score of 7-6 at Stoutland. (The baseball team will not have any home games this season due to the reconstruction of the baseball field.)

The boys were down 6-2 going into the last inning. Seniors T.C. James and Tyler Willoughby each had key hits in the top of the seventh inning, earning Vienna 5 runs and the win. Rocky Clark was the winning pitcher.

The JV boys also beat Stoutland by a score of 9-5. Curt Byrd was the winning pitcher.
