*The VHS Junior Class had an exceptional parade float, winning the first place school float. A National Guard military Humvee pulled the float for the juniors. The float had two sections, the first a Revolutionary War set up with George Washington's tent, and the second section represented the Iraq War. Pictured are Trevor Schiermeier and Jason Wilson as revolutionary war volunteers.*

*Junior class member James Head, as an American soldier in Iraq, helped carry the parade's theme of "Salute to our Troops."*

*Derek Laubert (left) and Taylor VanScoy are happy with the first place finish of their junior class float.*
