The Vienna High School Science Olympiad Team traveled to Steelville to compete on Thursday, March 9. The team for that competition was made up of Amanda Helton, Jason Wilson, Erica Stratman, Jon Gamache, David Dumbach and Danielle Verschueren.

The team took home one first place medal, two second place medals and one third

place medal.

Amanda Helton and Erica Stratman won first place in Chemical Analysis. The second place medal went to Jason Wilson and Danielle Verschueren in Data Collection. The other second place medal went" to David Dumbach and Jon Gamache in Tower Building. The third place medal went to Jason Wilson in Genetics.

The team earned a total of 13 points out of a possible 20

points in the competition. This allowed the Maries R-I School Science Olympiad Team to become CoChampions in the Gasconade Valley Conference.
